## **KNOW THE RULES**

Keep your ticket until the end of your visit.

The ticket office closes at 18:00, one hour before the theme park shuts for the day (a complete visit takes at least 45 minutes).

It is forbidden to smoke or ignite any type of flame in the theme park.

Please dispose of all your rubbish in the bins placed along the paths.

Toilets for abled-bodied and disabled visitors are located at the entrances to the theme park and the Luigi Donini Museum of Prehistory.

The theme park will close for bad weather or upon any circumstance that could threaten the safety of our visitors. In such cases, the management will decide whether or not to grant free entrance in the future as compensation.

In the case of an emergency, make your way hastily to the nearest safety exit as indicated by the signs. Staff will intervene rapidly with any necessary aid.

Dogs are allowed exclusively if on a non-extendable leash (or one extendable by less than 1.5 m) and if the owner is carrying a muzzle that can be applied in the case of risk to visitors and/or other animals or at the request of the staff. Owners must also collect and properly dispose of their dog's faeces – blind persons with a guide dog and anyone disabled who is unable to carry out this procedure are exempt.

The use of radio-controlled devices is prohibited in the park grounds.

You can photograph/video the models on display for private, but not for commercial, purposes.

It is forbidden to touch or climb onto the models of the dinosaurs and prehistoric animals on display; it is also forbidden to touch/pick the flowers/plants in the grounds. The management reserves the right to request compensation for any eventual damages incurred.

You must remain on the indicated paths at all times.

Failure to observe these rules or to produce a valid ticket at the request of the staff will result in the removal of the offender from the grounds without reimbursement of any kind.
